Dear Judy Wilson,

**RE: Flight PS752 Memorial Event on February 22, 2020**

On behalf of the Iranian community of Edmonton, the Iranian Heritage Society of Edmonton (IHSE) would like to thank the City of Edmonton, particularly the Protocol Office, for their partnership in the organization of the Flight PS752 Memorial Event for Edmontonians on February 22, 2020. In the face of this unexpected and heartbreaking Canadian tragedy, this event provided the community with a sense of solidarity in the commemoration of lives lost and the search for answers and justice.

The logistical and emotional support that was provided leading up to and during the event, including beautiful and tasteful decorations at City Hall and trusting the IHSE to deliver suitable content and programming, was very valuable and heartwarming for our community.

We look forward to expanding our partnership with your office through the organization and delivery of a variety of other activities and programs in order to showcase the rich diversity of Edmontonians. Your support of this successful and memorable event has created a deep connection with our community that will not be forgotten.

Sincerely,

The Iranian Heritage Society of Edmonton Board of Directors
